## Supply List

2020-2021

Dear Vincent Farm families,

In an effort to provide you with some guidance on the supplies that will be helpful during your child's virtual experience this fall, we have created a list of suggested items that can be purchased for students at all grade levels. Please note that your child's teacher may also give some suggestions once they reach out to you in a few weeks. We also wanted you to know that we are working on getting additional supplies for students.
